**Modifications to Exclusive Forum Provision; Commitment to Seek Stockholder Ratification**

In December 2022, the Board amended the Bylaws to include a customary exclusive forum provision. This provision, which is consistent with those adopted by many public companies, provides that certain types of state law derivative and similar litigation must be brought in a specific forum. The Board believes that the exclusive forum provision is in the best interests of the Company and its stockholders because it prevents plaintiffs from forum shopping and attempting to litigate in multiple forums, thereby reducing the costs to the Company of such actions and bringing more certainty to their resolution. These types of activities by plaintiffs are increasingly common, and are ultimately value destructive. The Board believes that as a Nevada corporation, the state courts of Nevada are best suited to adjudicate the state law matters specified in the exclusive forum provision.

Following the adoption of the exclusive forum provision, the Board received feedback from certain stockholders regarding their preferences as to the terms of the Company's exclusive forum provision and the process of its adoption. As a result of this feedback, on May 20, 2023, the Board further amended the exclusive forum provision to provide that **the state courts located anywhere in the State of Nevada** (or, if the state courts of the State of Nevada do not have jurisdiction, then the federal district court for the District of Nevada) are the exclusive forum to adjudicate the matters specified in the exclusive forum provision. The Board thanks stockholders for their feedback and looks forward to continued engagement on the Company's governance policies and practices.

As part of amending the exclusive forum provision, the Board confirmed that it is the intention of the Board **to seek stockholder ratification of the adoption of the exclusive forum provision at the Company's annual meeting of stockholders to be held in 2024** (the "2024 Annual Meeting"). It is also the Board's intention that **should the exclusive forum provision not be ratified by stockholders at the 2024 Annual Meeting (including in the context of approval of an analogous amendment to the Company's articles of incorporation), then the Board will promptly amend the Bylaws to remove the exclusive forum provision.**

If you wish to change your vote, follow the instructions in the Proxy Statement.
