PROXY STATEMENT

This Proxy Statement, the accompanying proxy card and the 2006 Annual Report to Stockholders of Employers Holdings, Inc. (the “Company” or “Employers Holdings”) are being mailed on or about April 16, 2007 in connection with the solicitation on behalf of the Board of Directors of Employers Holdings of proxies to be voted at the 2007 Annual Meeting of Stockholders (the “Annual Meeting”) on May 31, 2007, and any postponements and adjournments thereof. All holders of record of Employers Holdings common stock at the close of business on April 4, 2007 are entitled to vote. Each holder of record of common stock on that date is entitled to one vote at the Annual Meeting for each share of common stock held. On that date, there were 53,527,907 shares of common stock issued and outstanding and entitled to vote at the meeting.

Unless otherwise required by applicable law, the Company’s Articles of Incorporation or the Bylaws, both as amended and restated, a majority of the voting power of the issued and outstanding stock of the Company entitled to vote, including the voting power that is represented in person or by proxy, regardless of whether any such proxy has the

authority to vote on all matters, shall constitute a quorum for the transaction of business at the Annual Meeting. The Directors will be elected by a plurality of the votes cast by holders of the Company's common stock for each Director. If you withhold authority to vote for a Director nominee, your shares will not be counted in the vote for that Director nominee.

You may vote your shares in any of the following ways:

- by mail, by marking, signing and dating the enclosed proxy card and returning it to the Company as soon as possible in the enclosed postage prepaid envelope;
- by telephone at 1-800-560-1965 anytime before 12:00 p.m., Central Daylight Time, May 30, 2007;
- by the Internet at <http://www.eproxy.com/eig/> at anytime before 12:00 p.m., Central Daylight Time, May 30, 2007; or
- in person at the Annual Meeting on May 31, 2007.

If you vote by proxy, you can revoke your proxy at any time before it is voted at the Annual Meeting. You can do this by:

- delivering a written notice revoking your proxy to the Secretary of the Company at the above address;
- delivering a new proxy bearing a date after the date of the proxy being revoked; or
- voting in person at the Annual Meeting.

All properly executed proxies, unless revoked as described above, will be voted at the Annual Meeting in accordance with your directions on the proxy. If a properly executed proxy gives no specific instructions, the shares of common stock represented by your proxy will be voted:

- **FOR** the election of each of the three Director nominees to serve a three-year term expiring at the 2010 Annual Meeting of Stockholders;
- **FOR** ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for 2007; and
- at the discretion of proxy holders with regard to any other matter that is properly presented at the Annual Meeting.

[Table of Contents](#)

If you own shares of common stock held in a "street name" by a bank or brokerage firm and you do not instruct your broker how to vote your shares using the instructions your broker provides to you, your broker may choose not to vote your shares. To be sure your shares are voted in the manner you desire, you should instruct your broker how to vote your shares.

In accordance with the Company's Bylaws, Mr. Kolesar, Chairman of the Board, has selected Kevin Kelly of Morrow & Co., Inc, and Barbara M. Novak of Wells Fargo Shareowner Services to be the inspectors of the election at the Annual Meeting. The inspectors of the election are not officers or Directors of the Company, and they will receive and canvass the votes given at the meeting and certify the results to the Chairman of the Board.

If your shares are held in a "street name," you must bring an account statement or letter from your bank or brokerage firm showing that you are the beneficial owner of the shares as of the record date of April 4, 2007, in order to be admitted to the Annual Meeting on May 31, 2007.

Shares of common stock represented in person or by proxy (including "broker non-votes" and shares that abstain or do not vote with respect to one or more of the proposals to be voted upon) will be counted for the purpose of determining whether a quorum exists. A share once represented for any purpose at the Annual Meeting is deemed present for quorum purposes for the remainder of the meeting and for any adjournment thereof unless (1) the stockholder attends solely to object to lack of notice, defective notice or the conduct of the meeting on other grounds and does not vote the shares or otherwise consent that they are to be deemed present, or (2) in the case of an adjournment, a new record date is or will be set for that adjourned meeting. Shares will not be voted in favor of a matter, and will not be counted as voting on a matter, if they either (1) abstain from voting on a particular matter or (2) are "broker non-votes."

PROPOSAL ONE

ELECTION OF DIRECTORS

The Company's full Board of Directors (the "Board") consists of ten (10) Directors. The Board is divided into three classes, with Classes I and II each having three (3) Directors and Class III having four (4) Directors. The Directors in each class serve for a three-year term. The terms of each class expire at successive Annual Meetings so that the stockholders elect one class of Directors at each Annual Meeting. Currently, Class I, Class II and Class III terms expire

in 2007, 2008 and 2009, respectively. The current composition of the Board, and the nominees for Directors for terms expiring in 2010, is listed below. All nominees are current members of the Board. All properly executed proxies will be voted for these nominees unless contrary instructions are properly made, in which case the proxy will be voted or withheld in accordance with such instructions. Should any nominee become unable to accept nomination or election, the proxies will be voted for the election of such person, if any, as shall be recommended by the Board or for holding a vacancy to be filled by the Board at a later date. The Board has no reason to believe that the persons listed as nominees will be unable to serve. In the election of Directors, each properly nominated candidate receiving a plurality of votes shall be elected. The current composition of the Board is:

Class I Directors (*term expiring at this Annual Meeting and nominated to serve until the 2010 Annual Meeting*)

Rose E. McKinney-James
John P. Sande, III
Martin J. Welch

Class II Directors (*serving until the 2008 Annual Meeting*)

Robert J. Kolesar
Douglas D. Dirks
Richard W. Blakey

Class III Directors (*serving until the 2009 Annual Meeting*)

Ronald F. Mosher
Katherine W. Ong
Michael D. Rumbolz
Valerie R. Glenn

The election of the three Class I Directors will take place at the Annual Meeting on May 31, 2007. At its meeting of March 28, 2007, the Board approved the recommendation of the Board Governance and Nominating Committee that the three Class I Directors be nominated for an additional three-year term.

Pursuant to the rules promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the following information lists, as to nominees for Director and Directors whose terms of office will continue after the Annual Meeting, the principal occupation, age, the year in which each first became a Director of Employers Holdings, Inc. or its predecessor, the year in which each first became a Director of any of Employers Holdings' subsidiaries or their predecessors, and directorships in registered investment companies or companies having securities which are registered pursuant to, or that are subject to certain provisions of, the Exchange Act. The information provided is as of February 2007, unless otherwise indicated.

Employers Holdings is the new name for our company resulting from the completion of the conversion of EIG Mutual Holding Company ("EIG") from a Nevada mutual holding company to a Nevada stock corporation on February 5, 2007. EIG and its wholly-owned direct subsidiary, Employers Insurance Group, Inc. ("EIGI") (now known as Employers Group, Inc. ("EGI")), were formed on April 1, 2005 in conjunction with the conversion of Employers Insurance Company of Nevada, A Mutual Company ("EICN"), into a Nevada stock corporation. EICN commenced operations as a private mutual insurance company on January 1, 2000, when it assumed the assets, liabilities and operations of the former Nevada State Industrial Insurance System (the "Fund") pursuant to legislation passed in the 1999 Nevada Legislature. Employers Compensation Insurance Company ("ECIC"), a wholly owned subsidiary of EICN, commenced operations when we acquired renewal rights and certain other tangible and intangible assets from Fremont Compensation Insurance Group and its affiliates ("Fremont") in 2002. Except as otherwise indicated, each nominee or continuing Director has had the same principal occupation or employment during the past five years.

Board of Directors. Employers Holdings became a publicly traded stock company on February 5, 2007. Accordingly, the historical information provided in this Proxy Statement for fiscal year 2006 is that of its predecessor, EIG, and EIG's Board of Directors, unless otherwise indicated. During the year ended December 31, 2006, there were twelve meetings of EIG's Board of Directors. Each member of EIG's Board of Directors continued on to Employers

Holdings' Board of Directors after the conversion and initial public offering. Each Director attended at least 75% of the aggregate of the meetings of EIG's Board of Directors and the meetings of the committees of the Board on which such members served during 2006. Prior to May 18, 2006, the active committees were constituted under, and the meetings were conducted pursuant to the direction of, the Board of Directors of EIGI (now known as EGI), the intermediate holding company. On May 18, 2006, the Board of Directors of EIG established the following standing committees to mirror those of EIGI: Executive; Audit/Finance; Compensation; Board Governance and Nominating; and Government and Community Relations. At that time, EIG already had a non-standing Corporate Development Committee. On November 17, 2006, the Board of EIG authorized the formation of a separate Finance Committee and dissolved its Government and Community Relations and Corporate Development Committees.

Employers Holdings' Board members are expected to attend our 2007 Annual Meeting of Stockholders. All Board members attended the 2006 Annual Meeting of EIG.

Our Board Governance and Nominating Committee currently satisfies the independence and other requirements of the New York Stock Exchange and the Securities and Exchange Commission (the "SEC"), without regard to any transition period provided for therein. The purpose of the Board Governance and Nominating Committee is to identify and select qualified individuals to become members of the Board of Directors and

its committees, determine the composition of the Board of Directors and its committees, to recommend to the Board a slate of Director-nominees for each Annual Meeting of stockholders, develop and recommend to the Board of Directors sound corporate governance policies and procedures, to review succession plans of the Company's Chairman and Chief Executive Officer, and to oversee the evaluation of the Board and management.

The Board Governance and Nominating Committee will consider Director candidates recommended by any stockholder of the Company (i) who is a stockholder of record on the date of the giving of the notice provided for in Section 10 of our Bylaws and on the record date for the determination of stockholders entitled to notice of and to vote at such meeting and (ii) who complies with the following notice provisions set forth in Section 10 of our Bylaws. In addition to any other applicable requirements, for a nomination to be made by a stockholder, such stockholder must have given timely notice thereof in proper written form to the Secretary of the Company.

To be timely, a stockholder's notice to the Secretary must be delivered to or mailed and received at the principal executive offices of the Company (a) in the case of an annual meeting, not less than ninety (90) days nor more than one hundred twenty (120) days prior to the anniversary date of the immediately preceding Annual Meeting of Stockholders; provided, however, that in the event that the Annual Meeting is called for a date that is not within thirty (30) days before or after such anniversary date, notice by the stockholder in order to be timely must also be received not later than the close of business on the tenth (10th) day following the day on which such notice of the date of the Annual Meeting was mailed or such public disclosure of the date of the Annual Meeting was made, whichever first occurs; and (b) in the case of a special meeting of stockholders called for the purpose of electing Directors, not later than the close of business on the tenth (10th) day following the day on which notice of the date of the special meeting was mailed or public disclosure of the date of the special meeting was made, whichever first occurs.

To be in proper written form, a stockholder's notice to the Secretary must set forth (a) as to each person whom the stockholder proposes to nominate for election as a Director (i) the name, age, business address and residence address of the person, (ii) the principal occupation or employment of the person, (iii) the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by the person and (iv) the other information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act, and the rules and regulations promulgated thereunder; and (b) as to the stockholder giving the notice (i) the name and record address of such stockholder, (ii) the class or series and number of shares of capital stock of the Company that are owned beneficially or of record by such stockholder, (iii) a description of all arrangements or understandings between such stockholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are made by such stockholder, (iv) a representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice and (v) any other information relating to such

stockholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of Directors pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder. Such notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a Director if elected.

The Board Governance and Nominating Committee may apply several criteria in selecting Director nominees from any source. At a minimum, the committee shall consider (a) whether each nominee has demonstrated, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Company and (b) the nominee's reputation for honesty and ethical conduct in his or her personal and professional activities. Additional factors which the committee may consider include a candidate's specific experiences and skills, relevant industry background and knowledge, time and availability in light of other commitments, age, potential conflicts of interest, material relationships with the Company and independence from management and the Company. The Board Governance and Nominating Committee also may seek to have the Board represent a diversity of backgrounds and experience. The Board Governance and Nominating Committee shall be responsible for assessing the appropriate balance of criteria required of Board members.

In 2006, the Board Governance and Nominating Committee did not engage the services of a third party to help identify or evaluate Director nominees. The Board Governance and Nominating Committee reviews and evaluates, at least annually, the performance of the Board Governance and Nominating Committee and its members, including compliance of the Board Governance and Nominating Committee with its charter. A copy of the Board Governance and Nominating Committee Charter is available on our website at www.employers.com. CORPORATE GOVERNANCE

The Board has adopted the Corporate Governance Guidelines (the “Guidelines”) of Employers Holdings, Inc. which are available on our website at www.employers.com, and the Company will furnish a print copy to any stockholder who requests it. These Guidelines were adopted by the Board to assist the Board in fulfilling its responsibilities and are in compliance with Section 303A of the New York Stock Exchange Listed Company Manual (the “Listing Standards”).

DIRECTOR INDEPENDENCE

In accordance with the rules of the New York Stock Exchange, the Board shall affirmatively determine the independence of each Director and nominee for election as a Director in accordance with the guidelines it adopted in the Corporate Governance Guidelines, which include all elements of independence set forth in Section 303A of the New York Stock Exchange Listing Standards. Specifically, the Board has agreed that it shall be comprised of a majority of Directors who qualify as Independent Directors under the listing standards of the New York Stock Exchange.

The Board’s Guidelines provide that it shall review annually the relationships that each Director has with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). Following such annual review, only those Directors who the Board affirmatively determines have no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company) will be considered Independent Directors, subject to additional qualifications prescribed under the Listing Standards of the New York Stock Exchange or under applicable law. The Board may adopt and disclose categorical standards to assist it in determining Director independence. In the event that a Director becomes aware of any change of circumstances that may result in such Director no longer being considered independent under the Listing Standards of the New York Stock Exchange or under applicable law, the Director shall promptly inform the Chairman of the Board Governance and Nominating Committee.

The Board has considered the independence of its members pursuant to the standards set forth in the New York

Stock Exchange Listing Standards and determined that Messrs. Dirks and Welch and Ms. Glenn are not independent Directors, and that Messrs. Kolesar, Mosher, Rumbolz, Sande and Dr. Blakey and Ms. McKinney-James and Ms. Ong are independent Directors.

Lead Independent Director

The Board's Guidelines provide that if the Chairman of the Board is not an Independent Director, the Company's Independent Directors will designate one of the Independent Directors on the Board to serve as a lead Independent Director (the "Lead Independent Director"). If the Chairman of the Board is an Independent Director, then he or she shall serve as Lead Independent Director. The Lead Independent Director's duties will include coordinating the activities of the Independent Directors, coordinating the agenda for and moderating sessions of the Board's Independent Directors, and facilitating communications between the other members of the Board. In performing the duties described,

[Table of Contents](#)

the Lead Independent Director is expected to consult with the Chairmen of the appropriate Board committees and solicit their participation in order to avoid diluting the authority or responsibilities of such committee Chairpersons. Mr. Kolesar, the Company's Chairman, is an independent Director. Accordingly, we do not have a designated Lead Independent Director.

COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Any interested parties desiring to communicate with the Chairman of the Board and/or the other Directors regarding the Company may contact such Directors by sending correspondence to: Employers Holdings, Inc., c/o Chief Legal Officer, 9790 Gateway Drive, Suite 200, Reno, Nevada 89521. Communications may also be sent to: ChiefLegalOfficer@employers.com. Communications may be submitted anonymously, and a sender may also indicate whether he or she is a stockholder, customer, supplier, or other interested party.

All communications received as described above shall be opened by the Chief Legal Officer for the purpose of determining whether the contents represent a message to our Directors, and depending on the facts and circumstances outlined in the communication, will be distributed to the Board, the non-management Directors, an individual Director or committee of Directors, as appropriate. The Chief Legal Officer shall make sufficient copies of the contents to send to each Director who is a member of the Board, or of the group or committee, to which the communication is directed.

PROPOSAL TWO

INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors of the Company has appointed Ernst & Young LLP ("Ernst & Young") as Employers Holdings' independent auditors to examine the financial statements of Employers Holdings and its subsidiaries for the year 2007. The Board of Directors recommends ratification of the appointment of Ernst & Young. The favorable vote of the holders of a majority of Employers Holdings common stock represented in person or by proxy at the Annual Meeting will be required for such ratification.

A representative of Ernst & Young will be present at the meeting with an opportunity to make a statement if such representative desires to do so and to respond to appropriate questions.

Although stockholder approval of this appointment is not required or binding on the Audit Committee, the Board of Directors believes, as a matter of good corporate governance, that stockholders should be given the opportunity to express their views. If the stockholders do not ratify the appointment of Ernst & Young as Employers Holdings' independent auditors, the Audit Committee will consider this vote in determining whether or not to continue the engagement of Ernst & Young.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE RATIFICATION OF THIS APPOINTMENT.

EXECUTIVE OFFICERS

The executive officers of Employers Holdings are principally responsible for general management of the business affairs and property of Employers Holdings, subject to the supervision and direction of Employers Holdings' Board of Directors. COMPENSATION DISCUSSION AND ANALYSIS

The primary objectives of the Compensation Committee of our Board of Directors with respect to executive compensation are to attract and retain the best possible executive talent, to tie annual and long-term cash and stock incentives to achievement of measurable corporate, business unit and individual performance objectives, and to align executives' incentives with stockholder value creation. To achieve these objectives, the Compensation Committee has adopted, and expects to implement and maintain, compensation plan(s) that tie a substantial portion of executives' overall compensation to the Company's financial performance (including our combined ratio and adjusted return on equity) and common stock price. Overall, the total compensation opportunity is intended to create an executive compensation program that is set at the median competitive levels of comparable public insurance companies and, in particular, companies with workers' compensation and other property and casualty lines of business.

In connection with Employers Holdings' initial public offering which was completed on February 5, 2007, the Compensation Committee retained the compensation consulting firm of F.W. Cook to evaluate our compensation practices and to assist in developing and implementing the executive compensation program and philosophy. The Cook firm developed a competitive peer group and performed analyses of competitive performance and compensation levels. It also met individually with the members of the Compensation Committee and senior management to learn about our business operations and strategy as a public company, key performance metrics and target goals, and the labor and capital markets in which we compete. It developed recommendations that were reviewed and approved by the Compensation Committee and the Board of Directors in connection with developing and approving the plan of conversion.

Compensation Components

Compensation is broken out into the following components:

Base Salary. Base salaries for the Company's senior officers are established based on the scope of their responsibilities, taking into account competitive market compensation paid by other companies for similar positions. Generally, we believe that executive base salaries should be targeted near the median of the range of salaries for executives in similar positions and with similar responsibilities at comparable companies in line with our compensation philosophy. Base salaries are reviewed annually, and adjusted from time to time to realign salaries with market levels after taking into account individual responsibilities, performance and experience. For 2007, it is currently our intention that base salary increases for senior officers will be limited to five percent per individual.

Annual Bonus. Effective December 31, 2005, we terminated our 2003 Executive Bonus Plan, which provided for short- and long-term cash bonuses for certain officers, and replaced it with an annual incentive bonus plan for all of our officers in 2006. The 2006 Incentive Bonus Plan was designed to promote the achievement of the Company's strategic and financial goals, reinforce and reward the officers of the Company for achieving annual goals and performance benefiting the stakeholders in the Company, and attract and retain the resources necessary to successfully lead and manage the Company. The annual incentive awards were based upon the degree of achievement of the corporate performance target(s) of the Company and the plan participant's individual annual goals, and expressed as a percentage of the annual salary of the plan participant for the performance period based on performance for the measures selected. The corporate performance target for 2006 was achievement of a combined ratio of 102; a goal which was exceeded.

The annual incentive bonuses which are authorized under our new Equity and Incentive Plan are intended to compensate officers for achieving our annual financial goals at corporate and business unit levels and for achieving measurable individual annual performance objectives. The Equity and Incentive Plan provides for a cash bonus, dependent upon the level of achievement of the stated corporate goals and personal performance goals, calculated as a percentage of the officer's base salary, with higher ranked executive officers being compensated at a higher percentage of base salary. The Compensation Committee approves the annual incentive award for the Chief Executive Officer and for each officer below the Chief Executive Officer level, based on the Chief Executive Officer's recommendations. For 2007, the target bonus awards (as a percentage of base salary) are as follows: Chief Executive Officer, 90%; Chief Operating Officer, 60%; Executive Vice President, 40%; Senior Vice President, 35%; and Vice President, 25%. These target percentages are reduced from 2006 target percentages, which included both short- and long-term incentive award opportunities, so that our officers' annual bonus opportunity would be set near the median competitive levels of comparable companies. In March 2007, the Compensation Committee increased the target bonus percentage award for Mr. Welch from 50% to 60% based on the recommendation of F.W. Cook to align Mr. Welch's bonus with median market standards. Depending on the achievement of the predetermined performance targets, the annual bonus to our officers may be less than or greater than the target bonus. Maximum payout for officers is 150% of the target bonus. Pursuant to its authority under the Equity and Incentive Plan, our Compensation Committee retains the discretion to make adjustments with respect to the 2007 annual bonuses and the equity grants.

[Table of Contents](#)

Long-Term Incentive Program. We believe that long-term performance is achieved through an ownership culture that encourages long-term performance by our executive officers through the use of stock-based awards. The Equity and Incentive Plan permits the grant of stock options, stock appreciation rights, restricted shares, restricted stock units, performance shares, and other stock-based awards. In 2007, we intend to provide long-term awards through a combination of stock options, which will vest based on continued employment, and performance shares, which will vest based on achievement of three-year combined ratio and adjusted return on equity goals.

Founders' Grants. In recognition of becoming a public company, we issued "founders' grants" in the form of a nonqualified stock option to purchase 300 shares of our common stock to each full-time employee, excluding our senior officers, at the initial public offering stock price and pursuant to the terms of the Equity and Incentive Plan. In addition, each part-time employee received a grant to purchase 150 of our shares, for an aggregate issuance of 187,200 shares underlying the "founders' grants." We believe the "founders' grants" align employee interests with those of the Company's policyholders and stockholders and reinforce the cultural change from a mutual company to a public stock company. The "founders' grants" will vest pro rata on each of the first three anniversaries of the initial public offering

date which occurred on February 5, 2007, subject to the continued employment of the employee, and have a maximum term of seven years.

Annual Equity Awards. Six months following the completion of the Company's initial public offering, we intend to begin an annual practice of making equity awards to officers, including our executive officers. We intend that the annual aggregate value of these awards will be set near competitive median levels for comparable companies. One-half of the aggregate value of these awards will be granted in the form of nonqualified stock options and one-half will be granted in the form of performance shares. This two-part program is intended to achieve a balance between market-based incentives such as options, which we believe provide a strong link to stockholder value creation, and financial-based incentives such as performance awards, which we believe have stronger retention impact and provide a direct link to long-term corporate performance.

Options. The initial option grants will vest as to 25% of the shares underlying each grant six months following the grant date and as to an additional 25% on each of the first three anniversaries of the grant date. After the initial option grants, it is intended that annual option grants will vest pro rata on each of the first four anniversaries of the date of grant. Annual option grants will have a maximum term of seven years.

Performance Shares. Each grant of performance shares will be earned based on the achievement of pre-established corporate performance goals over a three-year performance period. For the initial performance period which commenced January 1, 2007, the performance goals will be based on the three-year average combined ratio and adjusted return on average equity, each weighted equally. The maximum number of performance shares that may be earned based on actual performance during the performance period will be 150% of the targeted number of performance shares.

Broad-Based Employee Grants. Beginning in 2008, we will reserve a pool of approximately 20,000 shares for grants of stock options or restricted stock to high-performing non-officer employees in recognition of their individual achievements and contributions to corporate or business unit performance or in circumstances where there is a critical retention need.

Other Compensation. The Company's senior officers who were parties to employment agreements prior to the conversion and initial public offering continue to be parties to such employment agreements in their existing form. In addition, consistent with our pay-for-performance compensation philosophy, we intend to continue to maintain modest executive benefits and perquisites for officers. We believe these benefits and perquisites are currently below median competitive levels for comparable companies. We have no current plans to make changes to either the employment agreements (except as required by law or as required to clarify the benefits to which our executive officers are entitled as set forth herein) or levels of benefits and perquisites provided thereunder.

[Table of Contents](#)

Stock Ownership Guidelines. We have adopted stock ownership guidelines for our officers, as follows:

Stock Ownership Guidelines

<u>Position</u>	<u>(As a multiple of base salary)</u>
Chief Executive Officer	4x
Chief Operating Officer/Executive Vice President	3x
Senior Vice President	2x
Vice President	1x

The guidelines require that officers eligible for regular annual equity grants retain fifty percent (50%) of "net gain shares" acquired upon exercise of stock options (i.e., shares acquired after the payment of the option exercise price and all employment and income taxes) and payment of earned performance shares until the salary multiple specified above is achieved. Once the specified salary multiple is achieved, the officers must continue to retain 25% of all net gain shares for the duration of their employment with the Company. These guidelines assure that officers are continuously adding to their holdings in the Company's shares to the extent that the equity incentives granted under the Company's executive compensation program deliver realized value to officers. No equity or equity based awards may be made to any executive officers prior to six months after the Company's initial public offering, which occurred on February 5, 2007, or August 5, 2007.

COMPENSATION COMMITTEE REPORT

On March 26, 2007, the Compensation Committee, comprised of Independent Directors, reviewed and discussed the above Compensation Discussion and Analysis with the Company's management. Based on the review and discussions, the Compensation Committee recommended to the Board of Directors of Employers Holdings that the Compensation Discussion and Analysis be included in this proxy statement.

The Chairman of the Board is paid an additional cash fee of \$20,000 annually. Committee chairpersons are paid an additional cash fee of \$10,000 annually.

In addition to the cash compensation, six months following the initial public offering which occurred on February 5, 2007, each non-employee Director will be granted an award of deferred stock units (“DSUs”) with a value of \$50,000. Subject to accelerated vesting as set forth below, the DSUs will vest in full at the 2008 stockholders meeting and will be paid in shares six months following termination of Board service. Vested DSUs will be credited with dividend equivalents which will be reinvested in additional DSUs. Beginning in 2008, at each annual stockholders meeting, each Director will be granted additional DSUs which, subject to accelerated vesting as set forth below, will vest 25% quarterly and will be paid in shares six months following termination of Board service. The vesting of DSUs will accelerate and be paid out if the Director terminates service as a result of his or her death or disability or following a change in control (as defined in the Equity and Incentive Plan).

Indemnification of Officers and Directors

Our Articles of Incorporation require the Company to indemnify the Company’s officers and Directors to the fullest extent permitted by law. The Articles of Incorporation go on to provide, however, that no such obligation to indemnify exists as to proceedings initiated by an officer or Director unless (a) it is a proceeding (or part thereof) initiated to enforce a right to indemnification; or (b) was authorized

[Table of Contents](#)

or consented to by the Company’s Board of Directors. The Company is authorized to provide indemnification of its employees or agents, through Bylaws, agreements with agents, vote of stockholders or disinterested Directors, or otherwise, to the fullest extent permissible under Nevada law. The Company’s Bylaws define an agent as any person who is or was a Director or officer of the Company or who is or was serving at the Company’s request as a Director, officer, employee or agent of another foreign or domestic company, partnership, joint venture, trust or other enterprise, or was a Director or officer of a foreign or domestic company which was a predecessor company of us or of another enterprise at the request of the predecessor company. Indemnification is not provided where the person (a) is liable pursuant to NRS 78.138, or (b) did not act in good faith and in a manner which that person reasonably believed to be in or not opposed to our best interests, or, in the case of a criminal proceeding, had reasonable cause to believe the conduct of the person was unlawful.

The Company has entered into employment agreements, discussed above, which provide that the Company shall indemnify the employee to the fullest extent permitted by Nevada law and the Articles of Incorporation and By-laws of the employing company. Additionally, each employee is generally entitled to have the Company pay all expenses, including fees of an attorney selected and retained by it to represent the employee, actually and necessarily incurred by the employee in connection with the defense of any act, suit, or proceeding and in connection with any related appeal, including the cost of court settlements. The agreements also provide that the Company will use its reasonable efforts to obtain coverage for the employee under any insurance policy in force at the time, and further that it will pay all expenses, including attorneys’ fees of an attorney retained by the Company to represent the employee in connection with the action from which the indemnification arose.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to Directors, officers or persons controlling us under the foregoing provisions, the Company has been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Prior to November 17, 2006, this committee was comprised of Messrs. Blakey, Kolesar and Ms. Ong. Since November 17, 2006, this committee consists of Messrs. Blakey, *Chairperson*, Rumbolz and Ms. Ong. None of these

Directors were at any time during 2006, or before then, an officer or employee of Employers Holdings' predecessor, EIG, or any of its subsidiaries. None of these Directors had any relationships with Employers Holdings' predecessor, EIG, or any of its subsidiaries during 2006 that was required to be disclosed under Item 404 of Regulation S-K under the Exchange Act. As noted below under Certain Relationship and Related Transactions, Dr. Blakey is a director of two of the medical providers on our Nevada medical provider panel. None of the Company's executive officers or any executive officers of the Company's subsidiaries served as a Director or member of the Compensation Committee (or other committee serving an equivalent function) of any other entity, whose executive officer served on Employers Holdings', or any of its subsidiaries, Board of Directors or their Compensation Committees.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Board of Directors adopted its Related Person Transactions Policy and Procedures January 11, 2007. A copy of this policy is available on our website at www.employers.com and a print copy will be made available to any stockholder who requests it. Among other things, this policy provides that any transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which the Company (including any of our subsidiaries) was, is or will be a participant and the amount involved exceeds \$25,000, and in which any related person had, has or will have a direct or indirect material interest, must be reported to the Company no less than annually. The Audit Committee reviews these related party transactions at least annually and considers all of the relevant facts and circumstances available to the Committee, including but not limited to: the benefits to the Company; the impact on a Director's independence in the event the related person is a Director, an immediate family member of a Director or an entity in which a Director is a partner, stockholder or Executive Officer; the availability of

[Table of Contents](#)

other sources for comparable products or services; the terms of the transaction; and the terms available to unrelated third parties or to employees generally. The Audit Committee may approve only those related party transactions that are in, or are not inconsistent with, the best interests of the Company and of our stockholders, as the Audit Committee determines in good faith.

No Director, executive officer, or other significant officer has loans or other debt with Employers Holdings or its subsidiaries.

Following is a list of transactions that may be considered related party transactions. Because the Company's Related Party Transactions Policy and Procedures was adopted by the Board on January 11, 2007, and because Employers Holdings was not a public company subject to the Exchange Act until February 5, 2007, the following historical transactions have not yet been evaluated by the Audit Committee pursuant to the policy.

Mr. Kolesar is the managing partner of Kolesar & Leatham, Chtd., a Las Vegas law firm, which holds a policy issued by EICN which, based on the election made by it, entitled it to receive consideration consisting of \$161,908 in the conversion from a mutual company to a stock company.

Dr. Blakey, one of the Company's Directors, is currently a Director and Chairman of the Board of the Reno Orthopedic Clinic, to which the Company paid, in 2004, 2005 and 2006, approximately \$320,431, \$202,000, and \$262,421 respectively, for medical services it provided to injured workers. Dr. Blakey is also a member of the Board of Directors of ARC MedCenters, LLC, to which the Company paid, in 2004, 2005 and 2006, approximately \$260,218, \$245,738, and \$223,134 respectively, for medical services it provided to injured workers. Dr. Blakey was formerly the Chairman of the Board of the Reno Spine Center, to which the Company paid, in 2004, 2005 and 2006, approximately \$41,130, \$24,022 and \$528, respectively, for medical services it provided to our injured workers. The Company intends to continue its relationships with certain medical providers at Reno Orthopedic Clinic and ARC MedCenters, which are participants on the Company's Nevada medical provider panel for fiscal year 2007.

Ms. Glenn, one of the Company's Directors, is the Chairman, President and Chief Executive Officer of the Rose/Glenn Group. In 2004, 2005 and 2006 the Company paid Rose/Glenn Group approximately \$26,000, \$60,000, and \$503,000 respectively, for advertising services they provided to the Company. The Company plans to continue utilizing the services of Rose/Glenn Group in 2007 for branding and marketing consultation services. In addition, the Rose/Glenn Group holds a policy issued by EICN which entitled it to receive consideration consisting of 8,463 shares in the conversion. Ms. Glenn disclaims beneficial ownership of such shares of common stock.

Ms. Ong is a Director of Hobbs, Ong & Associates, Inc. which holds a policy issued by EICN and which, based on the election made by it, entitled it to receive consideration consisting of \$113,798 in the conversion from a mutual company to a stock company.

Mr. Sande, one of the Company's Directors, is Chairman of the Board of the Reno Tahoe Open, a PGA tournament, of which the Company was a sponsor in 2006. Mr. Sande is a partner of Jones Vargas, a Nevada law firm, which holds a policy issued by EICN and which, based on the election made by it, entitled it to receive consideration consisting of \$298,282 in the conversion from a mutual company to a stock company.

Audit Committee Report

- reviewed and discussed the audited financial statements with management;

Based upon these reviews and discussions, the Audit Committee recommended to the Board of Directors at the March 28, 2007 meeting of the Board that EIG's audited financial statements for the year ended December 31, 2006 be included in the Annual Report on Form 10-K filed with the Securities and Exchange Commission. APPENDIX A

AUDIT COMMITTEE CHARTER OF THE BOARD OF DIRECTORS OF EMPLOYERS HOLDINGS, INC.

As Amended and Restated by the Board of Directors on January 11, 2007

PURPOSE OF THE COMMITTEE

The purpose of the Audit Committee (the "Committee") of the Board of Directors of Employers Holdings, Inc. ("EMPLOYERS" or the "Company") is to (a) assist the Board's oversight of (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the Company's independent auditors' qualifications and independence, and (iv) the performance of the Company's independent auditors and the Company's internal audit function, and (b) prepare the Audit Committee report as required by the Securities and Exchange Commission (the "SEC") for inclusion in the Company's annual proxy statement.

COMPOSITION OF THE COMMITTEE

The Board Audit Committee shall consist of a minimum of three directors. Members of the Committee shall be appointed by the Board of Directors upon recommendation of the Board Governance and Nominating Committee and may be removed by the Board in its discretion. Any vacancy on the Committee shall be filled by a majority vote of the

Board after receiving the recommendation of the Board Governance and Nominating Committee.

The Chairman of the Audit Committee shall be elected by the full Board of Directors, provided that if the Board does not designate a chairperson, the members of the Committee, by a majority vote, may designate a chairperson.

Each member of the Committee shall be “independent” under the applicable rules of the New York Stock Exchange (the “NYSE”), and any additional requirements that the Board deems appropriate.

No director may serve as a member of the Committee if such director serves on the audit committee of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Committee. Any such determination must be disclosed in the Company’s annual proxy statement.

Each member of the Committee must be financially literate, as such qualification is interpreted by the Board in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Committee. In addition, at least one member of the Committee must be designated by the Board to be the “audit committee financial expert,” as defined by the SEC pursuant to § 407 of the Sarbanes-Oxley Act of 2002 (the “Act”).

MEETINGS OF THE COMMITTEE

The Committee shall meet at such times as it determines necessary or appropriate, but not less than once every fiscal quarter. The Committee is governed by the same rules regarding meetings, action without meetings, notice, waiver of notice, quorum and voting requirements as are applicable to the full Board of Directors.

The Committee, in its discretion, may ask members of management or others to attend its meetings (or portions thereof) and to provide pertinent information as necessary. The Committee must meet separately on a periodic basis with (i) management, (ii) the director of the Company’s internal auditing department or other person responsible for the internal audit function and (iii) the Company’s independent auditors, in each case to discuss any matters that the Committee or any of the above persons or firms believe warrant Committee attention.

The Committee shall maintain minutes of its meetings and records relating to those meetings and shall report regularly to the Board on its activities, as appropriate.

A-1

[Table of Contents](#)

The Committee is authorized to adopt its own rules of procedure that do not conflict with (a) any provision of this Charter, (b) any provision of the Bylaws of Employers, (c) the New York Stock Exchange Listed Company Manual, or (d) federal or Nevada state law. Although the members of the Committee have the duties and responsibilities set forth in this Charter, nothing contained in this Charter is intended to create, or should be construed as creating, any responsibility or liability of members of the Committee, except to the extent otherwise provided under applicable federal or Nevada state law.
